1. Design your own Lady-or-Tiger puzzle. You should include the description of your puzzle, and an explanation (using logic) of its solution. You may be asked to present the puzzle in class next week.

2. Find out who Haskell B. Curry was. Find out which building he worked in. Find the sign which bears his name. What are the first few words on the sign? This sign has a title on it. Find out what the title means.
